EASTERN DISTRICT OF N.Y.

RE: HILL vs. Tisch
02 CV 3901

Dear Judge Orenstein,

I am writing to inform the
Court that I have been moved to:

DEMETRIUS HILL #68133-053
U.S. Penitentiary
P.O. Box 1000
Lewisburg, PA, 17837

Further, at present I am unable to
forward a copy to ms. Zwilling because I am being
denied all of my legal material by this institutions
staff and do not know ms. Zwilling's address by
memory. I had to borrow this stamp to write the
Court. I had to write the Honorable Judge Hurley in
this same fashion & his honor was kind enough to
forward a copy of my scribe to my attorney on
a criminal case.

I would ask that the Court
please forward a copy of this letter to the defendants
counsel ms. Zwilling so she will have the
new address.

I do not know why I am in this institution my criminal attorney has asked Hon. Judge Hurley to have me moved back to the metropolitan area as I am not sentenced on my criminal indictment. I am awaiting that court's order.

However, so that I may proceed in this civil litigation I would ask your honor to please enter an order to this institution to:

- (a) give me back my legal materials & books;
- (b) allow me to use the facility law library;
- (c) provide me with copy^s of legal documents so I can mail out;
- (d) If the court is to allow me the opportunity to depose defendants [as they've done me] that I be moved back to the m.s.c. to perform said depositions.

I apologize to the court for any inconvenience in providing ms. Zwilling a copy of this scribe, but I do not know her address by memory and if this facility wont give me my legal work there is nothing I can do - but seek judicial intervention.

Thank you for your time & consideration.

Sincerely
Dimitrios Hell
